ORIGIN: Castilla-La Mancha, Spain

PRODUCT: Mediumdry Sparkling White Wine

VARIETIES: 80% Airen & 20% Moscatel

VINIFICATION: During the growing season, the grapes develop elegant aromas and flavours until ripe, when they are picked up from the vine. Once in the winery, grapes are pressed to obtain the must, which is poured into soaking tanks. Then, the alcoholic fermentation begins, transforming sugar into alcohol at controlled temperature of 18°C, in order to retain its aromatic characteristics. After fermentation, the wine is filtered and stabilized. Micro-filtration is performed in order to sterilize it. CO2 is added to make it bubbly and then the wine is finally canned.

TASTING NOTES:

This sparkling wine captivates with its fresh, brilliant colour, aroma and refreshing taste. Pale gold colour. Light but persistent bubbling. With hints of fruity and citrus memories. The nose is of medium intensity but very greedy. Intense, fresh, sweet, with good acidity, long aftertaste and presence of fruit.
